

PRESS RELEASE n° 15/2017

8th edition of Market Place Seminar 2017 to be held in Duisburg, Germany on 14 and 15 September 2017 organised by UIC and FIATA

(Paris, 20 June 2017) The International Union of Railways UIC and FIATA, the International Federation of Freight Forwarders Associations, are jointly organising the 8th edition of the Market Place Seminar.

This year's edition of the seminar will take place in Duisburg, Germany on 14 and 15 September under the heading: "Inland Hubs: Key towards rail Freight Corridor Development" and with a special focus on the development of transcontinental corridors. It will be organised around four thematic sessions:

- Transcontinental corridors: myth or reality for business development?
- Connecting land-locked régions ;
- Accessibility of Freight Corridors ;
- Paperless, online and real-time.

The UIC-FIATA Market Place Seminars offer a business oriented platform for all stakeholders of the logistics chain and foster interactive and lively exchanges on transport solutions and business opportunities.

Slots will include speakers from renowned companies from the logistics industry, from railway undertakings and corridor development organisations.

A detailed programme will be available soon. In the meantime, should you be interested in participating in the seminar, you are welcome to send your paper proposal to the technical committee: mps@uic.org
