SAFEGUARDING NATIONAL AND EUROPEAN VALUES AND INTERESTS

INTERNATIONAL PROTECTION

TRADE FACILITATION

FACILITATION OF BONA FIDE TRAVEL

ENFORCEMENT OF LAW AND ORDER AT NATIONAL BORDERS

OBJECTIVES

CRIME PREVENTION

BORDER CONTROL
- Border checks
- Border surveillance

TRAINING

RESEARCH AND DEVELOPMENT

JOINT OPERATIONS

RISK ANALYSIS

JOINT INFORMATION SYSTEMS

NATIONAL INTER AGENCY COOPERATION

INTERNATIONAL OPERATIONAL COOPERATION
OBJECTIVES:

- To gather information on current passenger flow and number of detected illegal border crossings at railway border crossing points.

- To determine best practices for border control at the railway border crossing points at external borders of the EU Member States.

- To determine key threats and risks in relation to illegal immigration at different types of railway border crossing points and their vicinities.
2009

2 x 2 weeks operation at selected BCPs in close cooperation with railway companies and customs
   Focus on the false documentation and clandestine immigration (URANUS)

2010

As long-term perspective, a drafting of a handbook on railway border checks is foreseen, based on the experience of the Pilot Project EXPRESS and all following activities, e.g. Joint Operation, Trainings, (BEST PRACTICE)
Hosting Country: Greece, Slovakia

Participating countries: All MS and SAC

Type of Activity: Pilot Project

Operational method: Seminar / Workshops

Implementation: June, September 2008
General Objective:

To improve the results of future joint operations in land borders by developing a Practical Handbook of best practices on illegal immigrants’ detection in transportation means.

Specific objectives:

Application of new technologies in the detection of hidden illegal immigrants at the EU external borders.
Best practices of tactical issues
Logistical common approach
General objective:
Focus on the border check at selected Railway and Highway BCPs at the main routes of illegal immigration at external land borders in close cooperation with CCWP and UIC

Implementation:
4 x 2 weeks operational phases in course of 2009

Budget:
500.000 EUR

Host countries:
Finland, Estonia, Latvia, Lithuania, Poland, Slovakia, Hungary, Slovenia, Romania, Bulgaria and Greece
General Objectives:

To target illegal immigration at railway BCPs, both, passenger and freight trains in close cooperation with CCWP, RAILPOL and UIC.

To target illegal immigration at the main highway routes at the external borders in close cooperation with CCWP and UIC.

Operational area:

- Hot-spot border crossing points at the external land borders of EU with focus on the main roads of illegal migration to EU (Eastern Balkan route, Western Balkan Route, Eastern European Route)

Expected results:

- To intensify the effort against illegal immigration in passenger and freight trains.

- To have an updated picture on illegal immigration at railway and highway routes.

- To increase effectiveness of entry/exit checks at railway and highway BCPs.

- To develop cooperation with CCWP, RAILPOL, UIC
**Operational phases:**
First and third phases are focusing on railway border crossing points
Second and fourth phase focusing on highway border crossing points

**Time table:**
- Phase 1: 08.04 – 22.04.2009
- Phase 2: 10.06 – 24.06.2009
- Phase 3: 07.10 – 21.10.2009
- Phase 4: 04.11 – 19.11.2009

**Host countries:**
Finland, Estonia, Lithuania, Latvia, Poland, Slovakia, Hungary, Romania, Bulgaria, Greece, Slovenia

**Participating countries:**
- 13 Member States and Schengen Associated Countries

**Expected guest officers:**
- 320 Border Guard Officers for all four phases
Operational Method for Phase I and III - Railway

Joint teams involving
- Local BG
- Guest Officers and Experts
- Custom Officers and
- UIC Security and RAILPOL staff were available

Joint teams (2 per train for) performing deep entry checks on passenger and freight trains entering the external border

Using stationary and mobile technical means to achieve best results on clandestine modus operandi
1st Phase:
8th – 22nd of April 2009, Railway BCPs

Host countries:
SI, HU, RO, BG

Participating Countries:
AT, BG, EE, FR, DE, DK, GR, HU, IT, RO, SK, CH, NL, PT, LT

Technical Means:
2 Swiss mobile forgery kits, laptops, mobile phones, 2 Italian forgery kits, laptop based documentation database, mobile phones - internet connection, CO2 detectors,
2 Estonians mobile forgery kits and laptop based documentation database mobile phones – internet connection CO2 detectors

General objective:
Focus on the border check at selected Railway BCPs at the main routes of illegal migration at external land borders in close cooperation with Customs
3rd Phase: 7th – 21st of October 2009, Railway BCPs

Host countries: FI, EE, LV, LT, PL

Participating Countries: AT, BG, EE, DE, GR, HU, IT, RO, SK, CH, NL, PT, LT

Technical Means: 2 Swiss mobile forgery kits, laptops, mobile phones,
2 Italian forgery kits, laptop based documentation databases
mobile phones - internet connection, CO2 detectors,
2 Estonian mobile forgery kits and laptop based documentation databases,
mobile phones - internet connection, CO2 detectors,
1 Latvian mobile forgery kit and laptop based documentation database

General objective: Focus on the border check at selected Railway BCPs at the main routes of illegal migration at external land borders in close cooperation with Customs
