

PRESS RELEASE N° 11/2024

---

## **Call for Papers: Shape the Future of High-Speed Rail at the 12th UIC World Congress**

*(Paris, 15 October 2024)* UIC is pleased to announce that the call for papers for the 12th UIC World Congress on High-Speed Rail is now open! This prestigious global event will take place from 8 to 11 July 2025 in Beijing, China, under the inspiring theme: “Innovation and Development for a Better Life.”

We invite experts, researchers, and professionals from both the technical and management sectors of high-speed rail (HSR) to submit their latest research and innovations for a chance to present at this world-leading congress—at no cost. This is your opportunity to showcase your work on a global stage, connect with top professionals in the industry, and help shape the future of high-speed rail. Hosted by the China Academy of Railway Sciences (CARS) on behalf of the China State Railway Group (CR) and the International Union of Railways (UIC), the congress will bring together key players in high-speed rail from across the globe.

### **Why submit your paper?**

- **Global Visibility:** Present your research to a diverse, international audience.
- **Networking:** Engage with thought leaders, experts, and peers from the HSR community.
- **Innovation Impact:** Be part of conversations that are driving the future of high-speed rail.

To submit your paper and be part of this landmark event, please visit our website: [uichighspeed.org](http://uichighspeed.org).

### **Submission requirements:**

- Proposals must include an abstract (in English only), a short biography, and a photo.
- The deadline for submissions is Sunday, 15 December 2024.

### **Next steps**

The scientific committee will carefully review all submissions and notify authors of the results by 28 February 2025. We look forward to receiving your cutting-edge ideas and insightful research.
