# SAFETY WEBINAR

Objects left on  
the Line

**Bart Hoogcarspel, ProRail**

Two trains crash into construction crane in Voorschoten  
(April 4<sup>th</sup>, 2023)

INTERNATIONAL UNION  
OF RAILWAYS

*In this webinar “objects left on the line”, Bart Hoogcarspel from ProRail presented preliminary information about the train collision with a rail-road crane in Voorschoten on April 4<sup>th</sup> 2023. Due to the on-going (legal) investigations this information cannot be freely published at this moment.*

*You can download the factsheet released on April 7<sup>th</sup> [HERE](#).*

*Further information will be published in a later stage.*

*Should you in the meantime need further information on this accident, you can contact Bart at [bart.hoogcarspel@prorail.nl](mailto:bart.hoogcarspel@prorail.nl)*
